

May Yuan, Ph.D. – *As of 26 September 2021*

Fellow of American Association for the Advancement of Science (AAAS, elected 2020)

APPOINTMENTS AT THE UNIVERSITY OF TEXAS - DALLAS

Ashbel Smith Professor (2014 to date)

APPOINTMENTS AT THE UNIVERSITY OF OKLAHOMA

Brandt Professor and Edith Kinney Gaylord Presidential Professor (2008 to 2014)

Director, Center for Spatial Analysis (2001 to 2014)

Associate Dean, College of Geosciences – renamed to Atmospheric and Geographic Sciences (2005 to 2010)

Edith Kinney Gaylord Presidential Professor (2001 to 2008)

Professor of Geography (2005-2007)

Associate Professor of Geography (2000-2005)

Assistant Professor of Geography (1994-2000)

EDUCATION

Ph.D. Geography, State University of New York at Buffalo, 1994

M.A. Geography, State University of New York at Buffalo, 1992

B.S. Geography, National Taiwan University, 1987

CURRENT PROFESSIONAL RESPONSIBILITIES

Member, Scientific Advisory Committee of the Geospatial Science and Human Security Division at the Oak Ridge National Laboratory (since 2020)

Member, National Geospatial Advisory Committee to Federal Geospatial Data Committee (2016-21)

Member, Environmental Information Services Working Group to NOAA Science Advisory Board (2016-21)

Member, Academic Program Committee, United States Geospatial Intelligence Foundation (since 2018)

Editor in Chief for the *International Journal of Geographic Information Science* (since 2017)

COURSES TAUGHT

University of Texas at Dallas

GISC 2305 Spatial Thinking and Data Analytics

GISC 4380 Spatial Concepts and Organization

GISC 4381/6321 Spatial Data Science

GISC 6385 GIS Theories, Methods, and Issues

GISC 7387 GIS Research Design

University of Oklahoma

GIS 2453 Spatial Thinking and GIS Visualization

GEOG 2453 Computer Mapping

GEOG 3353 Cartography

GEOG 4230 Geomorphology

GEOG 4453/5453 Geographic Information Systems

GIS 4953 GIS Capstone Seminar

AGSC 4970 GIS and Mapping

GEOG 4553/5553 GIS Applications

GIS 4453/5453 GIS and Spatial Analysis

GIS 4970/5970 Web GIS: Principles and Applications

GIS 4653/5653 GIS and Spatial Programming

BOOKS

- Clementini, E., Donnelly M., Yuan, M., Kray, C., Fogliaroni, P., and Ballatore, A. 2017. (ed.) *Spatial Information Theory: A Theoretical Basis for GIS*, International Conference COSIT 2017. L'Aquila, Italy, September 4-8, 2017. LIPIcs Leibniz International Proceedings in Informatics Schloss Dagstuhl, Leibniz-Zentrum für Informatik Dagstuhl Publishing, Dagstuhl, Germany (ISBN: 1868-8969)
- Kray, C. and Yuan, M. 2017. section editors (responsible for 27 papers). INVITED PRESENTATIONS

- Speaker, Geographic functions and implications of POI. POInt Symposium 2021. Georgia Tech College of Design. April 30, 2021. Web Meeting.
- Speaker, Relationships between Space and Time. AAG Spatiotemporal sciences panel. April 9, 2021. Web meeting.
- Speaker, Rethink, reinvent, and relate. Keynote for Geography Week at the University of Utah. Nov 15, 2020.
- Speaker, Think outside the GIS box. Colloquia at East China Central University, Zhejiang University, and Shanghai University of Finance and Economic on December 4, 5, and 6, respectively.
- Keynote Speaker, GIS innovations for geography. Singapore Journal of Tropical Geography Annual Lecture. American Association of Geographers annual meeting 2019, April 3-7, 2019. DC, USA.
- Panel Speaker, Advancing science and technologies: what is on the horizon. GEOIntegration Summit, September 28, 2019, Herndon, Virginia, USA.
- Speaker, Next Generation GIS – Beyond Technologies. NSF-sponsored Next Generation GIS Workshop. October 10-12, 2018, Harvard University, Boston, MA, USA.
- Speaker, New Approaches to Space-Time Analytics of Human Dynamics. International Conference on Geospatial Information Science, September 13, 2018 and Smart Geospatial Expo September 12-14, 2018, Seoul, Korea.
- Speaker, Geographic conceptualization and Spatial Data Science. National Cheng-Kung University, August 5, 2018. Tainan, Taiwan
- Keynote Speaker, Rethink GIS. GISRUK 2018 – 26th GIScience Research UK Conference, April 19, 2018. Leister, UK.
- Speaker of Tobler's Lecture, GIS is Dead; Long Live GIS. American Association of Geographers Annual Meeting, April 13, 2018. New Orleans, LA, USA.
- Speaker, Experiential Cities. The first International Conference on Urban Informatics. November 13, 2017, Hong Kong Polytech University, Hong Kong.
- Speaker, Geospatial Intelligence Graduate Certificate at UT-Dallas. Academic Summit, United State Geospatial Intelligence Foundation, October 1, 2017, Dulles, Virginia.

Speaker, Conceptualization, Representation, and Analysis in GIS. Department of Geography Colloquium, September 28, 2017. University of Connecticut, CT.

Speaker., Exploring Human Dynamics in non-Geographic Space. Human Dynamics Expert Workshop. August 15-16, 2017 San Diego, California.

Speaker, Trends and Challenges in Geographical Information Science. Taiwanese Geographical Information Society Annual Meeting, August 9, 2017, Taipei, Taiwan.

Speaker, Identify Movement and Interaction Patterns from Trajectory Data. Department of Radiology, University of Texas Southwest Medical Center. May 19, 2017, Dallas, TX.

Speaker. Identify Movement and Interaction Patterns from Large GPS Data of Individual Entities. International Workshop on Interactive and Spatial Computing, April 14, 2017, Dallas, Texas

Speaker, Geographic Conceptualization for GIS Representation and Analysis. Department of Geography Colloquium, November, 17, 2016, University of Florida. Gainesville, FL.

Speaker, Humanizing Geospatial Science for Human Dynamics Understanding. Specialist Workshop on Human Dynamics in the Mobile Age. San Diego State University. August 11-12, 2016, San Diego, CA.

Speaker, Vertical Integration and deep maps. Specialist Workshop on Deep Maps. University of West Virginia. May 23-25, 2016, Morgantown, WV.

Speaker, From Spatial Analysis to Placial Analysis. Center for Applied GIScience Colloquium. North Carolina State University, April 18, 2016, Charlotte, NC.

Speaker, Space-Time Conceptualization for Geographic Analysis. Department of Geography Colloquium. University of Texas at Austin. February 20, 2016. Austin, TX.

Speaker, Spatial Narrative for Historical Research, Conference of Asian Network for GIS-based Historical Studies. December 4-6, 2015. Taipei, Taiwan.

Speaker, Big Data in a Small World. Symposium on Big Data and Smart Cities. National Taiwan University. May 17, 2015. Taipei, Taiwan.

Speaker, Space-Time Analytics and Geographic Dynamics. National Science and Technology Center for Disaster Reduction, Slope and Hydrological Hazards Division, May 15, 2015. Taipei, Taiwan.

Speaker, Space in Time and Time in Space in the context of Geographic Information Science. Academia Sinica. May 13, 2015, Taipei, Taiwan.

Speaker, Spatial Search: Challenges and Research Agenda. Specialist Meeting on Spatial Search. December 8-9, 2014. UC-Santa Barbara, Spatial@UCSB Center for Spatial Studies, Santa Barbara, California.

Speaker, Space-time analytics of big data to discover patterns of life. Specialist meeting on Human Dynamics in the Mobile Age. New Frontiers of Knowledge Discovery in Cyber Space and Big Data. August 11-12, 2014. San Diego State University.

Speaker, Space-time, Spatial narratives, and CyberGIS. CyberGIS 2014. August 18-21, 2014. Redlands, California.

Speaker, Geospatial Education and Workforce Development. Geological Remote Sensing Group, North American and Spatial Energy Inc. September 10, 2014.

Speaker, Open Science, Open GIS, and Open Geography for Research and Education. Keynote at Taiwan Geography Conference 2014, May 24-25, 2014, Taipei, Taiwan.

Speaker, From Features to Narratives for Spatial Humanities. The Geographic Imaginations and Spatial Humanities Seminar of the Robert Penn Warren Center for Humanities. February 21, 2014. Vanderbilt University, Nashville, Tennessee.

Speaker, Beyond Time Geography: Space-Time Analytics for Patterns of Life. Geospatial Science Colloquium, University of Texas at Dallas. February 5, 2014.

Speaker, Space-Time Analytics and Cyber GIS. Department of Geography, National Taiwan University. December 7, 2013. Taipei, Taiwan.

Speaker, Historical GIS and Geospatial Narratives. Research Center for Humanities and Social Sciences, Academic Sinica, Taiwan. December 4, 2013. Taipei, Taiwan.

Speaker, Space and Time in GIS. International Workshop on Foundations and Challenges in Geographic Information Science. Chinese University Hong Kong and Sun Yat-sen University. May 15-17, 2013. Hong Kong and Guangzhou, China.

Speaker, Space-Time Analytics and CyberGIS. CyberGIS colloquium, University of Illinois – Urbana Champaign. May 3, 2013.

Speaker, Space-Time Analytics. US-China Space and Time in GIScience Research Summit. Chinese Academy of Sciences. Nov 13, 2012. Beijing, China, and Nov 15, 2012 Wuhan, China.

Speaker, Space, Time, and Patterns of Life. Oak Ridge National Laboratory, September 26, 2012 and Ralston Lecture, Department of Geography, University of Tennessee. September 28, 2012. Knoxville, Tennessee.

Speaker, Spatial Narratives and Deep Maps. Digital Humanities Institute. Polis Center, Indiana University Purdue University Indianapolis. June 18-June 29. 2012. Indianapolis, IN.

Speaker, Promoting Diversity in Geography: key issues and strategies. American Association of Geographers (AAG) Departmental Leadership Workshop. June 13-16, 2012. Boulder, CO.

Speaker, GIS and Health. OU Health Science Center Department of Biostatistics and Epidemiology. 4/28/2011.

Speaker, GPS Track Analysis to Facilitate Location-based Offender Monitoring. Panel at National Institute of Justice Conference 6/20-22/2011

Speaker, Space-Time Integration in GIScience and Geography. National University of Geosciences, Beijing, China. 11/1-9/2011. Beijing, China

Speaker, From Time Geography to Geospatial Narrative: GIS as a Narrative Generation Platform. Miller Lecture at Department of Geography at Pennsylvania State University. 11/30-12/1/2011.

Speaker, Advancing GIS for Geospatial Dynamics. AGU 2010 Fall Meeting, 12-17 December 2010. San Francisco, CA.

Speaker, GIScience Approaches to Understanding Geographic Dynamics. GIS Day at the University of Nebraska. November 17, 2010. Lincoln, Nebraska.

Speaker, Temporal GIS Research Trends. Academia Sinica Taiwan. July 15, 2010. Taipei, Taiwan.

Instructor, GIS and GIScience for Climate Change Analysis. NSF PASI Panama on Climate Change and Hazards. June 14-26, 2010. Panama City, Panama.

Speaker, Space, Time, and Narratives. Future Research Directions for the National Geospatial-Intelligence Agency. National Research Council Workshop. May 17-19, 2010. Washington DC.

Speaker, Spatial Integration and Inspirations. Workshop on Innovations in Biological Imaging and Visualization. National Science Foundation, May 24-28, 2010. Washington, DC.

Speaker, Spatiotemporal Integration for Knowledge Innovation. Workshop on Knowledge Innovation at the Science-Policy Interface. Inter America Institute and National Center for Atmospheric Science (IAI-NCAR). April 12-23, 2010, San Jose, Costa Rica.

Panelist, GIScience Grand Challenges. American Association of Geographers Annual Meeting. April 14-18. Washington DC.

Seminar Speaker, GIScience Research: Frontiers and Fundamentals. Department of Geography, National Taiwan University. October 6, 2009. Taipei, Taiwan.

Speaker: From Temporal GIS to Narrative. Presidential Session in Social Science and History Association Annual Meeting, Miami, Florida. Oct 23-26, 2008

Speaker: Temporal GIS, Geographic Dynamics, and Complex Systems. EUROCORES Programme TECT workshop on Cooperation through the Ages: the social and psychological dynamics of cooperation and punishment. Sitges, Barcelona, Spain. 25-27 April 2008. European Science Foundation.

Speaker: Temporal GIS: Representation and Analysis. EUROCORES Programme TECT Joint-Project workshop on Studying Spatially Complex Cooperative Relationships, Universidade do Porto, Porto, Portugal, 26-29 March 2008. European Science Foundation.

Panel discussant, Workshop on Advanced Research in Geospatial Information Technologies for Transportation. September 20-21, 2007. Keck Center, U.S. National Academies, Washington DC.

Speaker: Temporal GIS. Workshop: A Place in Europe: Historical GIS and New Perspectives on European and World History. November 30-December 2, 2007, Barcelona, Spain. Sponsored by the European Science Foundation.

Speaker: Geovisualization Seminar, Temporal GIS for Meteorological Applications: Perception, Representation, Analysis, Visualization, and Understanding. Department of Geosciences, Oregon State University. February 13, 2007.

Speaker, Research Priorities in Areas of Geospatial Intelligence. GEOINTEL Academic workshop on Research Priorities. November 13-16, 2006. Orlando, Florida

Keynote Speaker, Geographic Data Mining and Knowledge Discovery. GISnet'12 Conference, August 14-18, 2006. Hochiminh city Vietnam.

Keynote Speaker, GIS for Knowledge Discovery of Weather and Climate, April 8, 2006, European Geosciences Union, General Assembly Vienna, Austria.

Seminar Speaker. Spatiotemporal Data Modeling for Knowledge Discovery. National Center for Geocomputation, March 24, 2006. Maynooth, Ireland.

Seminar Speaker, Temporal GIS and Meteorology. National Center for Atmospheric Research, June 30, 2004. Boulder, Colorado.

Seminar Speaker, GIS and Public Health Applications OU Health Science Center. September 29, 2003. Oklahoma City, Oklahoma.

Seminar Speaker, Geographic Intelligence: From Representation to Discovery of Geographic Dynamics in GIS Databases. Geography Colloquium at the University of Southern California, October 10, 2003.

Workshop Speaker, Beyond Mapping: GIS Analysis and Modeling for Environmental Research. UNIDATA Workshop on Expanding Horizons: Using Environmental Data and Model Output for Education, Prediction, and Decision Making, June 23-27, 2003. Boulder, CO.

Seminar Speaker. Representation and Discovery of Geographic Dynamics in GIS Databases. Dangermand Lecture Series at ESRI and Geography, UC-Santa Barbara. December 9-10, 2003.

Seminar Speaker, Geography Colloquium, University of Minnesota, Minneapolis-St. Paul. December 2, 2001.

Special Session Speaker on GIS Data Schemata for Spatiotemporal Information in The Third International Conference in Integrating GIS and Environmental Modeling. Santa Fe, New Mexico. January 21-25, 1996.

Visiting Research Scientist UNIDATA and National Center for Atmospheric Research. June 1 to December 31, 2004. Boulder, Colorado.

CONFERENCE AND WORKSHOP PRESENTATIONS (IN ADDITION TO CONFERENCE PUBLICATIONS)

- Karale, Y. and M. Yuan, 2019. Impact of land-use/land-cover on PM 2.5 in Dallas Fort-Worth. SWAAG annual meeting, October 10-12, 2019. Fort Worth, Texas, USA.
- Wu, Y. and M. Yuan, 2019. Developing an hourly risk model for street networks in Dallas. SWAAG annual meeting, October 10-12, 2019. Fort Worth, Texas, USA.

GRANTS AND CONTRACTS

(\$11,885,213 as PI and \$8,885,344 as Co-PI)

2020-2022 The Effects of Cognitive Map Building on the Development of Alzheimer's Diseases. PI: Kristen Kennedy. Total funding: \$420,750, ~September 15, 2020-May 31, 2022, NIH R21AG069267.

2017-2020 SAFE-NET: An Integrated Connected Vehicle and Computing Platform for Public Safety Applications. June 1, 2017 – May 31, 2020. PI of a sub award (\$248,880) from South Methodist

- University. Lead PI: Dr. Khaled Abdelghany at South Methodist University. Total funding: \$1,343,953. National Institute of Standards and Technology (NIST) Award Number: 60NANB17D180.
- 2014-2017 University of Texas System STAR grant: GIS for Smart Campus. PI. \$500,000. August 1, 2014 - July 31, 2017.
- 2010-2015 Developing and Evaluating the Effectiveness of the Location-based Offender Monitoring System for Offender Supervision. December 1, 2010- January 31, 2015. PI. \$1,162,770. With Dr. Marguerite Keese. National Institute of Justice.
- 2010-2014 Spatial Validation of Oklahoma Broadband Accessibility and Broadband Planning. National Telecommunication and Information Agency. March 1, 2010-December 31, 2014. PI. \$611,455. (Part of the State of Oklahoma Broadband Mapping and Planning Grant led by Secretary of State and State Department of Finance)
- 2009-2013 Understanding Social Networks within Complex, Nonlinear Systems: Geographically Integrated History and Dynamics GIS. NSF. September 15 2009 - September 14, 2013. PI at University of Oklahoma. \$471,191 (OU budget). This is a collaborative research project with Dr. Jack Owen at Idaho State University (\$1,290,704 for the Idaho state budget).
- 2008-2014 A Pilot GIS Service Portal to Support Boll Weevil Eradication Program. Principal Investigator. July 1, 2008-June 30, 2014. State of Oklahoma, Boll Weevil Eradication Organization. \$141,002
- 2006-2014 Geo-Referencing Maintenance for the Oklahoma Voter Registration System. Principal Investigator. Co-Investigator: Kathryn Hines. July 1, 2007-June 30, 2014. Oklahoma Election Board: \$2,027,921 (renew annually)
- 2006-2014 Sales-Tax Calculation Database using GIS Technologies: Maintenance Efforts with School and Career Technical Districts Updates. Principal Investigator. Co-Investigator: Kathryn Hines. July 1, 2007- June 30, 2014. Oklahoma Tax Commission. \$2,166,029 (renew annually)
- 2003-2014 Geospatial Information Science and Technology (GIST) Program, Oklahoma NASA Space Grant Consortium. Principal Investigator on the GIST program (Dr. V. Duca-Snowden is the PI for the Oklahoma NASA Space Grant Consortium). August 15, 2003-August 14, 2015, NASA. \$694,131 (renew annually).
- 2013 Geo-referencing of the Cherokee Nation Voter Registration System for New 15 Election District Assignments. \$75,982.
- 2013 Prototype Web GeoCIP. February 27 – July 15, 2013. \$50,000. PI. Oklahoma Department of Commerce
- 2009-2013 A CyberCommons for Ecological Forecasting. NSF. OU budget \$3M. Co-PI (PI: Dr. Paul Risser and 8 faculty). This is a collaborative research project with Dr. Krishatka at University of Kansas (Kansas budget \$3M).
- 2008-2013 Climate Risk Mitigation Program. Co-PI (PI: Dr. Mark Shafer and 8 Co-PIs). September 2008 to August 2013. NOAA Regional Integrated Sciences and Assessments Program: \$3,849,883.
- 2009-2011 Risk Prediction and Event Modeling: literature review, research agenda development, and methodology development. October 1, 2009 - December 31, 2011. ITT/Naval Research Laboratory/Department of Homeland Security. PI at OU. \$389,708
- 2010-2011 Web GIS Development for Landfills and Landfill Analysis. U.S. Geological Survey. June 15, 2010- October 31, 2011, \$15,392. PI.
- 2009-2011 Asset Mapping Pilot for Central Oklahoma Economic Development. Central Oklahoma Workforce Investment Board. October 9, 2009-June 30, 2010. PI. \$153,793.

2009-2010 Map Design and Creation of Wildlife Management Area Atlas for Oklahoma Department of Wildlife Conservation. December 15, 2009 - May 15, 2010. PI. \$33,155.

2009-2010 Data Acquisition and Meta-analysis of Habitat Information from Gulf of Mexico Trophics Studies using Coastal Marine Ecological Classification Systems. NOAA and NatureServe. July 1 2009-March 31 2010. \$40,000.

2008-2010 Development of Web-based Geographic Information Services for Oklahoma Capital Improvements Planning Program. Principal Investigator. September 1, 2008 to February 28, 2010. Oklahoma Department of Commerce. \$141,000.

2006-2009 Data-Model Assimilation at FACE and AmeriFlux Sites Toward Predictive Understanding of Carbon Sequestration at Ecosystem and Continental Scales. Co-Investigator. Principal Investigator: Dr. Yiqi Luo; other Co-Investigator: Dr. Luther White. September 1, 2006-August 31, 2009. DOE: \$750K.

2008 Capacity Building for Ecoinformatics Research. NSF EPSCoR. \$30,000 equipment grant.

2007-2008 Spatiotemporal Dynamics Data Model. Principal Investigator. Subcontract of \$23,311 from Compact Computing Inc., U. S. Army Small Business Innovation Research, Phase I. December 1, 2007 to March 31, 2008. Phase II proposal invited.

2006-2007 Boundary Demarcation for the Muscogee Creek Nation. Principal Investigator. October 15, 2006-February 28, 2007. Muscogee Creek Nation: \$8,144.

2006-2007 Phase 2: System Upgrade Development for Oklahoma's Capital Improvements Planning Program. Principal Investigator. Co-Investigator: Katherine Hines. April 1, 2006-March 31, 2007. Oklahoma Department of Commerce: \$109,318.

2005 Workshop on Computation and Visualization for the Understanding of Dynamics in Geographic Domains. The workshop was held on October 16-18, 2006 (http://www.ucgis.org/dynamics_workshop/workshop_agenda.htm) . Follow-up activities continued to December 2007. Co-Investigators: Dr. M. Yuan and Dr. Kathleen Stewart Hornsby. University Consortium for Geographic Information Science and U.S. Intelligence Communities: \$91,997.

2005-2007 Multicriteria Spatial Decision Support for NOAA Environmental Real-Time Observation Network. Principal Investigator, Co-Investigator: William McPherson, Jr. August 1, 2005-December 31, 2007. NOAA: \$663,585.

2004-2006 Collaborative Research: Integration of Geographic Complexity and Dynamics into Geographic Information Systems. PI: \$82,000 at the University of Oklahoma. This is a collaborative project with Dr. Michael Goodchild, University of California, Santa Barbara and Dr. Tom Cova, University of Utah. August 1, 2004 - July 31, 2006. NSF: Total amount \$250,000.

2004-2005 Development of a Comprehensive GIS Model to Prototype a New National Weather Service COOP Network. Principal Investigator, Co-Investigator: William McPherson, Jr. August 1, 2004-July 31, 2005. NOAA: \$213,501.

2004 Field surveys for COOP and LETS locations in New England states. Principal Investigator, Co-Investigator: William McPherson, Jr., July 1 - August 31, 2004. NOAA: \$97,311.

2004 GIS-based Selection of Potential National Weather Service COOP sites: A pilot study in Maine, New Hampshire, and Vermont. Principal Investigator, Co-Investigator: William McPherson, Jr. June 1 - August 31, 2004. NOAA: \$30,501.

1999-2004 Remote Sensing Internship with Space Imaging Inc. Principal Investigator. Space Image Inc. \$323,521.

- 2000-2002 Extending Geographic Representation to Support Knowledge Discovery in Geographic Information Systems. Principal Investigator. NSF/POWRE. \$74,875
- 2000-2001 The Integration of GIS, Remote Sensing, and Weather Technologies to Develop a 4D Real-time Air Pollution Management System at Tinker AFB. Principal Investigator. Co-Investigators: Dr. Victor DeBrunner, Dr. Mani Chinnaswamy, and David Jahn. Tinker Air Force Base, Department of Defense and Oklahoma State Regents. \$498,619.
- 2000-2001 The Oklahoma Wind Power Assessment Initiative. Co-Investigator. State of Oklahoma, Department of Commerce, US Department of Energy. With T. Huges (Principal Investigator), M. Meo, M. Shafer. \$199,711.
- 2000 A GIS Approach to the Support of EOS Land Validation: A Case Study Using MODIS and AERONET Data. Principal Investigator. NASA Research Initiatives Grant. \$18,854.
- 2000-2002 Research on the Fluxes of Water and Energy at the Land Surface, Element#7: Development of a HydroGIS based on Oklahoma Mesonet. Principal Investigator, NASA-Experimental Program to Stimulate Competitive Research (EPSCoR). Total award: \$162,000 for two years. This is an extension of the 1996-99 project.
- 1998-1999 National Geographic Society Education Foundation. Windows on the World: Using ArcView GIS to Enhance Geography Curricula. Co-Investigator with Julie Parker (Principal Investigator). Total award: \$12,710.
- 1997 Microsoft University Map Bash Program. Principal Investigator. Software Grant to promote education in computer-based map analysis.
- 1997 NASA/MTPE, Oklahoma Center of Excellence for Applications of Remote Sensing, Co-Investigator: Co-Investigator with Dr. Karen Humes (Principal Investigator) with 12 Co-Investigators (equipment grant, Total award \$340,000)
- 1997-2003 Development of an Intelligent GIS to Support Spatiotemporal Queries, Analysis, and Modeling in Hydrology. Principal Investigator. Co-Investigators: Dr. John Canning. Department of Defense, National Imagery and Mapping Agency, \$951,474.
- 1997 Use of Geographic Information Systems (GIS) to Model the Effects of Reservoir Operations on Fisheries in Hugo Lake, Oklahoma. Principal Investigator, The Oklahoma Department of Wildlife and Fisheries. Total award: \$4,480.
- 1996-99 Research on the Fluxes of Water and Energy at the Land Surface, Element#7: Development of a HydroGIS based on Oklahoma Mesonet. Principal Investigator, NASA-Experimental Program to Stimulate Competitive Research (EPSCoR). Total award: \$243,000 for three years.
- 1996-00 Educational Explorations of the Earth System. Co-Investigator with Drs. John Snow (Principal Investigator), Mark Morrissey, William Beasley, James Kimpel, Susan Postawko, and Linda Wallace, NASA-Sponsored Cooperative University-based Program in Earth System Science Education. Total award: \$ 200,000.
- 1995-96 Environmental Remote Sensing, GIS and the Oklahoma Mesonet. Co-Investigator with M. Morrissey (Principal Investigator), C. Duchon, M. Jakubauskas, S. Stadler, D. Waits, and R. Elliot, NASA, Total award: \$125,000.
- 1995-96 Flood-Zone Delineation Mapping Project for the Town of Slaughterville, Oklahoma, Principal Investigator. The Town of Slaughterville, Oklahoma. Total award: \$5,670.
- 1993 Eliciting Expert's Knowledge for Wildfire Information Modeling. Principal Investigator, under supervision of Professor D. Mark, Environmental Systems Research Institute. Total award: \$3,950.

INTERNAL FUNDS

(\$75,023 total)

2021 Families, Neighborhoods, and Sleep among Hispanic/Latinx Parents: A Social-Ecological Approach. With H. Kane (PI). UTD Seed Program for Interdisciplinary Research (SPIRe) 2021.

2004 Matching funds to NSF grant on Collaborative Research: Integration of Geographic Complexity and Dynamics into Geographic Information Systems. Vice President for Research: \$4023.

2004 Travel support to attend American Meteorological Society Summer Policy Colloquium. Dean of Geosciences: \$4,000; Vice President for Research: \$2,000.

2001 Start-up funds to revive Center for Spatial Analysis. Vice President for Research: \$60,000.

1995-96 Hydrological Data Modeling in Geographic Information Systems, Principal Investigator, University of Oklahoma Research Council. total award: \$5,000.

PROFESSIONAL DEVELOPMENT AND SYNERGISTIC ACTIVITIES

NATIONAL COMMITTEES, BOARDS, AND EDITORS

Member, National Geospatial Advisory Committee to Federal Geospatial Data Committee (2016-2022)

Member, Environmental Information Services Working Group to NOAA Science Advisory Board (2016-2022)

Member, Academic Program Committee, United States Geospatial Intelligence Foundation (since 2018)

President, Cartography and Geographic Information Science Society (2019-2020)

Editor in Chief for the *International Journal of Geographic Information Science* (since 2017)

Member, Academic Program Committee, United States Geospatial Intelligence Foundation (since 2018)

Member, Geological Remote Sensing Group, North American Committee (2012-2018)

Member, Academic Advisory Committee, United States Geospatial Intelligence Foundation (2010-2018)

President, University Consortium for Geographic Information Science (2011-2012)

Member, Mapping Science Committee, National Research Council (2009-2014)

Member, Future Workforce for Geospatial Intelligence, National Research Council (2010-2012)

Member, Proposal Advisory/Review Committee of AP GIST (2015-2016)

Member, Honors Committee, Association of American Geographers (2009 - 2012)

Member, Board of Directors, University Consortium for Geographic Information Science (2004-2007)

American Editor for the *International Journal of Geographic Information Science* (2007-2017)

Editorial board of *Annals of American Association of Geographers* (2005-2017)

Editorial board of *International Journal of Geographic Information Science* (2001-2007)

Editorial board of *Transactions in GIS* (2001-2010)

Secretary of University Consortium for Geographic Information Science (2003-2004)

Chair of the GIS specialty group of the American Association of Geographers (2002)

Vice chair of the GIS specialty group of the American Association of Geographers (2001)

CONFERENCE AND WORKSHOP COMMITTEES

Member of General Committee, 16th International Conference on Geocomputation, Utah, USA.

October 6-8, 2021 (decision made to postpone the conference to 2022 on July 21, 2021).

Member of Program Committee, 11th International Conference on Geographic Information Science (GIScience 2021), September 27-30, 2021, Poznań, Poland.

Chair of Program Committee, 23rd International Symposium on Cartography and GIScience. Online, Interactive sessions November 18-21, 2021. All presentations are available free online since November 18, 2020.

Member of Program Committee, Symposium on Frontiers in Geospatial Data Science. American Association of Geographers annual meeting 2019, April 3-7, 2019. DC, USA.

Member of Program Committee, GEOProcessing 2019. The 11th International Conference on Advanced Geographic Information Systems, Applications, and Services. February 24 - 28, 2019. Athens, Greece.

Chair, Symposium on CyberGIS and Spatial Data Science: Frontiers and Opportunities, April 10, 2018. American Association of Geographers, April 9-15, 2018, New Orleans, LA, USA.

Member of Program Committee, GIScience 2018. August 28-31, 2018, Melbourne, Australia

Co-Chair with Christian Kray, Program Committee, Conference of Spatial Information Theory (COSIT), 2017, L'Aquila, Italy. September 4-8, 2017

Member of Spatiotemporal Computing Working Group 2017, organized by Phil Yang, George Mason University.

Member of Steering Committee, International Conference of Geo-Process Modeling in Virtual Geographic Environment. November 6-8, 2014, Hong Kong, China.

Member of Program Committee, the 22nd ACM International Symposium on Advances in Geographic Information Systems (ACM SIGSPATIAL GIS), November 4-7, 2014, Dallas, TX.

Member of Program Committee, AutoCarto 2014. October 6-8, 2014. Pittsburg, Pennsylvania.

Member of Program Committee, GIScience 2014. September 23-26, 2014, Vienna, Austria.

Member of Program Committee, INFOCOMP 2014. July 20-24, 2014, Paris, France.

Member of Program Committee, the 21th ACM International Symposium on Advances in Geographic Information Systems (ACM SIGSPATIAL GIS), November 5-8, 2013, Orlando, Florida

Member of Program Committee, 12th International Conference on Spatial Information Theory (COSIT 2013). September 2-6, 2013, North Yorkshire, UK.

Member of Program Committee, INFOCOMP 2013. November 17-22, 2013. Lisbon, Portugal.

Member of Organizing Committee, Spatial Computing Expert Workshop. Computing Community Council with fund from National Science Foundation. September 10-11, 2012. Washington DC.

Member of Program Committee, GEOProcessing 2013. The 5th International Conference on Advanced Geographic Information Systems, Applications, and Services. February 24 - March 1, 2013. Nice, France.

Member of Program Committee, the 20th ACM International Symposium on Advances in Geographic Information Systems (ACM SIGSPATIAL GIS), November 2-6, 2012, Redondo Beach, CA.

Member of Program Committee, 2012 Conference on Intelligent Data Understanding. October 24-27, 2012. Boulder, CO.

Member of Program Committee, INFOCOMP 2012. October 21-26, 2012. Venice, Italy.

Member of Program Committee, GIScience 2012. September 18-21, 2012. Columbus, OH.

Member of Organizing Committee, Computing Community Consortium Workshop: From GPS and Virtual Globes to Spatial Computing 2020. September 10-11, 2012. DC.

Member of Program Committee, the 19th ACM International Symposium on Advances in Geographic Information Systems (ACM GIS), November 2-5, 2011, Chicago, Illinois.

Member of Program Committee, 12th International Conference on Spatial Information Theory (COSIT 2009). September 12-16, 2011. Belfast, ME.

Member of Program Committee, Space-Time Integration in GIScience and Geography Symposium, American Association of Geographers. Seattle, WA. 4/12-16/2011.

Member of Program Committee, the International Symposium on Spatial-Temporal Analysis and Data Mining, University of College London. 7/18-20/2011

Member of Program Committee, 14th AGILE Conference on Geographic Information Science. 4/18-21/2011, Utrecht, The Netherlands

External reviewer for USGS strategy for Core Science Systems.

Panelist on National Endowment of Humanities. 2011.

Panelist on NSB Mid-Scale Research Discussion, 3/31/2011, Denver, CO.

Panelist on Transportation Research Board GIS for Livable and Sustainable Community. 5/5-6/2011. DC

Member of Program Committee, the 18th ACM International Symposium on Advances in Geographic Information Systems (ACM GIS), November 2-5, 2010, San Jose, CA.

Member of Program Committee, the 6th International Conference on Geographic Information Science. September 14-17, 2010, Zurich, Switzerland.

Member of Program Committee, Space-Time Analysis and Modeling Workshop. Environmental Systems and Research Institute (ESRI), February 22-23, 2010, Redlands, CA.

Member of Program Committee, the 17th ACM International Symposium on Advances in Geographic Information Systems (ACM GIS), November 4-6, 2009, Seattle, WA.

Member of Program Committee, 11th International Conference on Spatial Information Theory (COSIT 2009). September 21-25, 2009. Aber Wrac'h, France.

Member of Program Committee, the 12th AGILE International Conference on Geographic Information Science, June 2-5, 2009, Hannover, Germany.

Organizer, Temporal GIS workshop in the 5th International Conference on Geographic Information Science. September 23-26, 2008. Park City, Utah.

Member of Program Committee, the 5th International Conference on Geographic Information Science. September 23-26, 2008. Park City, Utah.

Member of Program Committee, the 11th AGILE International Conference on Geographic Information Science, May 5-8, 2008. Girona-Catalonia, Spain.

Member of Program Committee, the 16th ACM International Symposium on Advances in Geographic Information Systems (ACM GIS), November 5-7, 2008, Irvine, California.

Member of Program Committee, International Workshop on Spatial And Spatial-Temporal Data Mining, in cooperation with IEEE ICDM 2007. October 28, 2007. Omaha, NE.

Member of Program Committee, the 15th ACM International Symposium on Advances in Geographic Information Systems (ACM GIS), November 7-9, 2007, Seattle, Washington.

Member of Program Committee, 9th International Conference on Spatial Information Theory (COSIT 2007). September 19-23, 2007.

Member of Program Committee, 10th AGILE (Association of Geographic Information Laboratories in Europe) International Conference on Geographic Information Science, 8-11 May 2007, Aalborg, Denmark.

Member of Program Committee, GIScience2006. September 20-23, 2006. Munster, Germany.

Co-Organizer, Workshop on Computation and Visualization of Dynamics in Geographic Domains. October 16-18, 2006. Maritime Institute of Technology & Graduate Studies, Washington, DC.

Co-Chair, GISnet'12 Conference, August 14-18, 2006. Hochiminh city Vietnam.

Program Committee Member of Conference on Spatial Information Theory (COSIT) 2005, September 14-18, 2005. Ellicottville, New York

Program Committee Member of GISPlanet 2005, May 30-June 2, 2005, Lisbon, Portugal .

Program Committee Member of GIScience 2004. University of Maryland Conference Center, October 20-23, 2004.

Program Committee Member and Panel Speaker to Geospatial Data Mining and Visualization Workshop sponsored by the National Security Council and University Consortium for Geographic Information Science. November 18-20, 2003. The National Conference Center, Lansdowne, Virginia.

ORGANIZER OR INVITED PARTICIPANT TO WORKSHOPS/PANELS

Panelist, UAS Symposium Panel: UAS in higher education – challenges and prospects in instruction. American Association of Geographers annual meeting 2019, April 3-7, 2019. DC, USA.

Panelist, Symposium on Human Dynamics Research in the Age of Smart and Intelligent Systems panel: What does “Space” mean in GIScience. American Association of Geographers annual meeting 2019, April 3-7, 2019. DC, USA.

Participant, Texas GIS Forum, October 23-25, 2018 Austin, TX.

Discussant, Geospatial Intelligence: Challenges and Opportunities. April 11, 2018. American Association of Geographers, April 9-15, 2018, New Orleans, LA, USA.

Panelist, Artificial Intelligence and Deep Learning: whether and how will AI transform geospatial research. April 12, 2018. American Association of Geographers, April 9-15, New Orleans, LA, USA.

Discussant, Symposium on New Horizons in Human Dynamics Research: Social Media and Big Data. April 13, 2018. American Association of Geographers, April 9-15, New Orleans, LA, USA.

Panelist, Emerging Trends in Movement Analytics, from observations to prediction of movement. April 13, 2018. American Association of Geographers, April 9-15, New Orleans, LA, USA.

Program Co-Chair, 13th International Conference on Spatial Information Theory, L'Aquila, Italy, September 4-8, 2017

Organizer of three sessions at the American Association of Geographers (AAG) Annual Meeting (2017): IJGIS Panel on Special Issues, IJGIS Top Papers presentation, Debate on Human Dynamics to be the 4th paradigm in Geography

Panelist at AAG 2017 Panel Session on Editors' Round Table

Member of the National Visiting Committee for NSF IBSS Project on Spatiotemporal Modeling of Human Dynamics across Social Media and Social Networks 2017-2018

Program Co-Chair, the 3rd International Conference on CyberGIS and Geospatial Data Science, July 26-28, 2016, Urbana, Illinois.

Co-Organizer, 4 Space-Time Analytics sessions and 1 Spatial Data Mining and Big Data session at AAG annual meeting 2016, March 29-April 2, 2016, San Francisco, CA.

Co-Organizer, 4 Spatial Data Mining and Big Data sessions at AAG annual meeting 2015, April 21-25, 2015, Chicago, IL.

Co-Organizer, Arab Springs, Lessons learnt, Academic Forum at GEOINT 2012, Orlando, FL.

Co-Organizer, Space-Time Research in GIScience. GIScience 2012. Columbus, OH.

Co-Organizer, The second annual meeting of North American Geological Remote Sensing Group, May 3, 2012, Houston, TX.

Co-Organizer, Space-Time Analytics Session, Academic Forum at GEOINT 2011, San Antonio, TX

Co-Organizer, DHS Risk Prediction Workshop. December 8-9, 2010. Dulles, Virginia.

Co-Organizer, GIS Research Workshop for Humanities and Social Sciences, July 14-16, 2010. Academia Sinica. Taipei, Taiwan.

Panelist, GIS in the Humanities and Social Sciences, October 7-9, 2009, Taipei, Taiwan.

Participant, GeoSpatial and GeoTemporal Informatics workshop. January 7-9, 2009. Arlington, Virginia, NSF.

Participant, Exploring creative approaches for analytical methodologies workshop. April 3-4, 2008. Arlington, Virginia. CENTRA Technology, Inc.

Participant, Complicated Features Workshop. November 14-16, 2007. Airlie Center, Virginia. Sponsored by Geospatial Intelligence Agency.

Participant, European Collaborative Research on the Evolution of Cooperation and Trading (EUROCORES Programme TECT) Launch Conference. July 4-7, 2007. Collegium Budapest, Institute for Advanced Study, Budapest, Hungary.

Participant, Ubiquitous Spatial Computing Workshop, NCGIA, January 25-27, 2007, Portland Maine.

Participant, Digital Gazetteer and Practice workshop. December 7-9, 2006. Santa Barbara, California.

Participant, Improvised Explosive Devices (IED) Workshop, May 5-6, 2006, Washington, DC.

Participant, High Performance Computing for Geosciences, August 25-27, 2006, National Center for Atmospheric Research, Boulder, Colorado.

Participant, Spatial Perspective on Analysis for Curriculum Enhancement (SPACE) planning workshop, December 19-21, 2005. Santa Barbara, CA.

Participant, Forum for Geosciences Information Technology, Oct. 6-7, 2005, Washington, DC.

Participant, Cyberinfrastructure for Research, Development, and Education in the Atmospheric Science. Southwest Focus Group Meeting, October 15-16, 2003, San Diego, CA.

Participant, NASA/USDA joint workshop on Focused Area Working Groups. April 12-14, 2005. New Orleans, Louisiana.

Participant, FEMA Geospatial workshop, April 19-21, 2005. Indianapolis, Indiana.

Participant, Action-oriented Approaches in Geographic Information Science, NCGIA, November 2-4, 2002, Maine.

Participant, National Research Council workshop on the intersection of geospatial information and information technology, October 1-2, 2001.

Participant, NCGIA-I20 workshop on Interoperating GIS, sponsored by NSF and OpenGIS. December 5-6, 1997. Santa Barbara, California.

Participant, GIS workshop in UNIDATA training workshops, June 22-27, 1997. Boulder, Colorado.

Participant, NCGIA-I21 workshop on Formalizing Common Sense Geographic Worlds sponsored by NSF. October 30 - November 3, 1996, San Marcos, Texas.

Participant, NSF Varenus specialist meeting on Cognitive Models of Dynamic Geographic Phenomena and Representations. 29-31 October 1998. Pittsburgh, PA.

Participant, USGS/LASULGC workshop on Future Science Directions of the U.S. Geological Survey: Opportunities for a Federal-University Partnership in the Natural Sciences. 5-6 June 2000. Washington, D.C.

AD HOC REVIEWS, PANELS OR COMMITTEES

Reviewer for FWF Austrian Science Fund 2019

Reviewer for Taiwan Academia Sinica (2019, 2020)

Reviewer for the New Zealand Centre of Research Excellence (CoREs) 2019

NSF digital government review panel 2018

Reviewer for a doctoral dissertation from University of Luxembourg 2018

Reviewer for a doctoral dissertation from University of Melbourne 2018

Reviewer for Taiwan Ministry of Science and Technology (2015, 2019, 2020)

Review panelist for Hong Kong Graduate Research Council (2014-2018)

Reviewer for Natural Sciences and Engineering Research Council of Canada 2017

Reviewer for Air Force Summer Faculty Fellowship Program (2012 and 2013)

Reviewer for National Defense Science and Engineering Graduate Fellowships (2012, 2013)

External examiner for M.Sc. in Geoinformation Science (2012-2014), the Chinese University of Hong Kong, Graduate School.

External reviewer for USGS Strategy for Core Science Systems. September 2011.

Tenure and promotion reviews for faculty at University of Oklahoma (3), Penn State University (1), University of Nebraska at Lincoln (1), University of Missouri (1), University of Southern California (1), State University of New York at Buffalo (1), University of California at Santa Barbara (2), Ohio

University (1), Louisiana State University (1), National Science Council in Taiwan (2), National Taiwan University (5), George Mason University (2), University of Tennessee (1), University of Texas at Dallas (3), University of South Carolina (1), Kansas State University (1), Texas Tech University (1), University of North Carolina State University – Charlotte (1), King's College London (1), and Hong Kong Polytech University (1). Since 2005.

External reviewer for the Department of Geography, University of Texas - Austin. October 2010.

DHS Scientific Leadership Awards for Minority Serving Institutions Proposal Review, September 16-17, 2009. Washington, DC

External reviewer for NSF National Historical GIS Project, University of Minnesota. (2002-2004)

DHS Southeast Region Research Initiative Review, September 2-3, 2009, Oak Ridge, TN.

NSF Information and Intelligence Systems Review Panel (2009)

Member, Research Management Committee of the GEOIDE Network (Canadian Centers of Excellence Network of Geomatics for Informed Decision) (2008-2009).

EPA NCER Review Panel (2007)

NSF Information and Intelligent Systems Review Panel (2007)

Advisory Board, Encyclopedia of Geoinformatics. Editor H. Karimi. To be published by Idea Group, Inc (2006)

NSF IGERT Preproposal Review Panel (2006)

EPA STAR Fellowship Review Panel (2006)

Member of OU Faculty Development Grant committee (2005)

NSF Geography Doctoral Dissertation Research Proposal Reviews (2002-2005)

Member of OU Research Council (2002-2004)

NSF Research Experiences for Undergraduates (Sites) Proposal Review (2000-2002)

NSF Information Technology Research Proposal Review (2000)

Pre-Med Interview Committee, the University of Oklahoma (since 2002)

SERVICES TO THE UNIVERSITY OF TEXAS AT DALLAS

Member of Social Data Analytics and Research Faculty Search Committee (2017)

Member of Ad Hoc Committee for Granting Tenure and Promotion to the Rank of Associate Professor: Rodrigues in Physics (2017)

Member of Ad Hoc Committee for Granting Tenure and Promotion to the Rank of Professor: Vieraitis in Criminology (2017)

Member of Ad Hoc Committee for Granting Tenure and Promotion to the Rank of Associate Professor: Xuan in Biology (2016)

Chair of an Ad Hoc Committee for the third year progress review of Assistant Professor Cummings in GIS (2016)

Member of an Ad Hoc Committee for the third year progress review of Assistant Professor Harrington in Political Science (2015)

The Campus Advisory Committee on Research (2018-2019)

EPPS Faculty Advisory Committee (2015-2017, 2017-2019)

EPPS Scholarship Committee (since 2015)

EPPS Peer Review Committee (2015-2017)

GIS Ph.D. Director (since 2015)

SERVICES TO THE UNIVERSITY OF OKLAHOMA

Director of Center for Spatial Analysis, University of Oklahoma (since 2001)

Faculty Search Committee, Industrial and Systems Engineering. (2012-2013)

Director, Geoinformatics Program (2009 – 2012)

Co-Lead, Aspire2020 Action Team on Multidisciplinary Research (2010)

Associate Dean, College of Atmospheric and Geographic Sciences (2005-2008)

Board member, Center for Applied Social Science Research, the University of Oklahoma (2005-2008)

Steering Committee member of Forum for Geosciences Information Technology (2004-2006)

External reviewer: Tenure and Promotion of faculty: 2 in 2005, 2 in 2006, 3 in 2007; Promotion of a senior scientist at Naval Research Laboratory, Maine Geosciences Divisions, Department of the Navy (2004)

Faculty Senate, the University of Oklahoma (2003-2004)

Instructor to All-TA training program, the University of Oklahoma (2003-2004)

Coordinator and Delegate, University Consortium for Geographic Information Science (UCGIS) at the University of Oklahoma (since 1997)

AWARDS ANDS RECOGNITIONS

American Association for the Advancement of Science (AAAS) Fellow (2020)

Ashbel Smith Professor, The University of Texas at Dallas (since 2014)

Excellence in Teaching, School of Economic, Political, Policy Sciences, The University of Texas at Dallas (2015)

Brandt Professor. The University of Oklahoma (since 2008 - 2014)

Kinney Gaylord Presidential Professorship. The University of Oklahoma (since 2001-2014)

International Young Scholar in Geographic Information Science. National Science Foundation and European Science Foundation (1995)

First Place, Student Paper Competition conducted by GIS Specialty Group of the Association of American Geographers for papers presented at the 1994 annual meeting of the Association. The paper presented was entitled Knowledge acquisition for building wildfire representation in geographic information systems.

STUDENTS RECEIVED GRADUATE DEGREES UNDER MY SUPERVISION (as Major Advisor)

MA or MS: Stephen Dumolt, Josephine Adams, Williams Tanksley, Jason Foreman, Shannon Kuhn, Chad Hall, David Slayter, Karla Sterling, George Standridge, Dustin Howard, Melissa Scott, Christopher Suttle, Darrel Kingfield, Peter Camili, Jeremy Andrakes, Alexandria McCombs, Nicole Grams, Xianglong Zhou, Fei Hao, Adam Sawyer, Dylan Campbell, Benjamin Acker, Wei Liu, Yuanhui Li, Justin Moore, Andrew Chavchalov, Samuel Levin, Sadia Sultan, Kiley Holbert, Erron Taylor, Stephanie Clarke

Ph.D.: John McIntosh, Mang Lung Cheuk, James Bothwell

Current Students:

MS: Elliott Zinter

Ph.D.: Arlo McKee, Brent Dell, Yogita Karale, Kyunghye Rhyu, Yaling Yang, Yanan Wu
